Keeping Your Investment Covered

Pier Pleasure offers a strong, all-welded frame with a sliding end that adjusts for easier tarp installation and removal. The tarp is secured in place by a continuous elastic shock cord and s-hooks, which make for simple installation and removal.

There are two choices of canopy tarps available. Pier Pleasure offers SeaMark™ Marine Fabric, a beautiful, colorfast Sunbrella® fabric that is waterproofed by combining the fabric with a textured marine grade vinyl backing. SeaMark™ has been a favorite of Pier Pleasure customers due to its beautiful appearance and durability. Also, Pier Pleasure offers a high-grade 18-ounce vinyl.

Pier Pleasure's canopy frame shape, unique sliding end and choices in canopy tarp materials combine to provide you with excellent boat protection that will look beautiful on your shoreline.

Also available is our freestanding canopy frame that allows you to use Pier Pleasure's canopies over track systems and pontoons with Sea-Legs®.
