

Cedar Bench

Take in the view while resting on a Pier Pleasure cedar bench. Constructed with an aluminum frame, the bench has the natural look of wood. A slanted back and seat add comfort.

Vinyl Bench

Enjoy the day on a maintenance-free vinyl bench. The aluminum frame with slanted backrest and secured vinyl planks provides a comfortable place to relax and enjoy your dock.

Bench Arm Rests

Add bench arm rests to hold your drink while enjoying your warm afternoon. Available in both vinyl and cedar.

Bench Canopy

Want to get out of the sun? Relax in the shade. Frame folds down for easy storage. Cover is available with SeaMark™ fabric or 18 oz. vinyl.

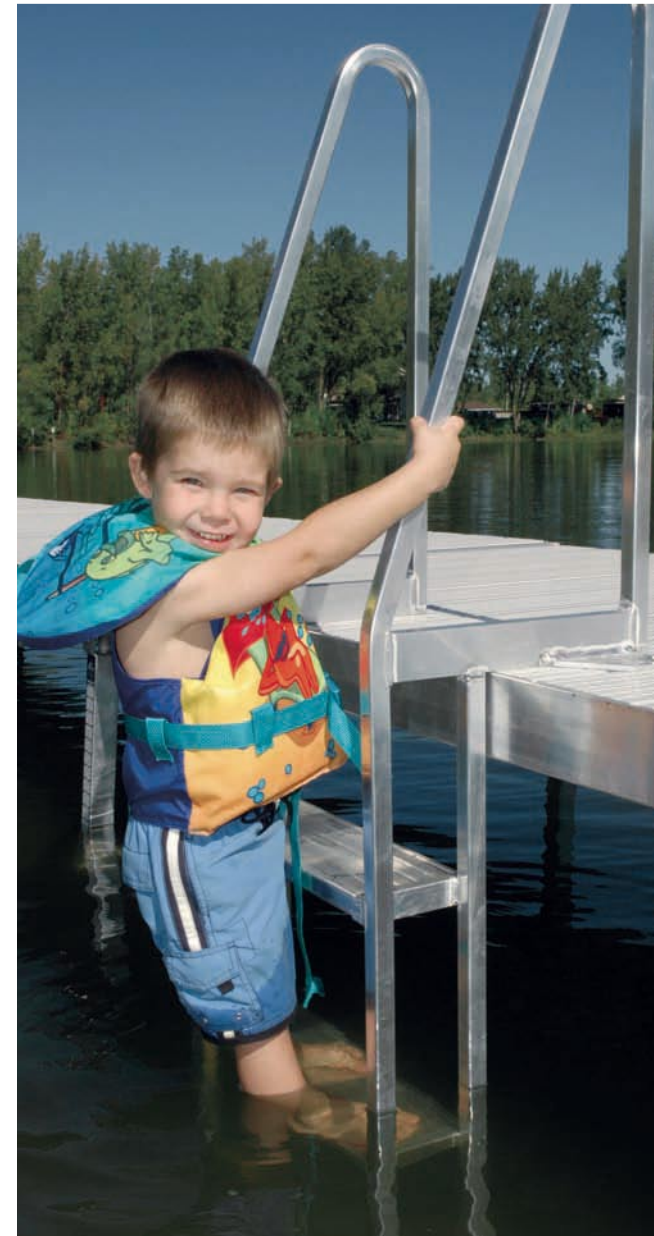

Horizontal Bumpers

Protect the exterior of your boat. Can be moved as needed.

Vertical Bumpers

Protect your boat. The vertical bumpers are sturdy, hold the boat away from the dock and are easy to tie to. Available in 2-foot and 4-foot lengths. The poly bumper is secured to the aluminum post with stainless steel bolts.

Flagpole & Mounting Bracket

Display your colors proudly. This telescoping flagpole expands to 20 feet in height. The mounting bracket makes it easy to place the flagpole wherever you want.

Windsock Pole

Display your favorite windsock on the easy to remove aluminum pole.

Canoe Rack

The canoe rack makes storage of your canoe or kayak simple. The canoe is at the water – ready to go when you are.

Movable Cleat

Place these aluminum cleats where needed.

Starter Hinge

Safely remove gaps by attaching Pier Pleasure dock sections to stairways, retaining walls and other dock systems.

Ladder

The all-aluminum ladder extends high above the dock for enhanced leverage when climbing out of the water. Available in 3-step or 4-step.

Dock Railing

Adds safety to your dock for young children and older adults. Standard with 2 rails. An additional bottom rail is available. Constructed of aluminum and has a baked on enamel finish to keep your hands and clothes clean.

Aluminum Dock Steps

Safe access in and out of the water for young children and older adults. Adjustable for your lake bottom with drop legs that can be easily adjusted.

Tripod Winch

The tripod winch allows you to remove the sections easily without having to get in the cold water letting you extend the use of your dock well into the fall.

Wheel Cart

Simplify installation and removal of your dock with the use of a wheel cart. A great tool for moving sections to and from the storage location.

Corner Protector

Protect the exterior of your boat by placing a vinyl corner protector on each exposed dock corner.
