ADJUSTABLE STAIRS

SHORE END RAMP SECTION

Available for all models of docks in 4' and 8' lengths. Hinge allows for up or down placement.

HINGE Allows the dock to "flex" and adjust.

DOCK EXTENSION Easily attaches to side frame. Allows for easy entrance into and exit from the boat or pontoon.

BUMPERS Both horizontal and vertical dock bumpers are available for all dock styles. See dealer for available colors and lengths.

SHORE END WHEEL KIT

Allows for easy installation and removal of your dock by rolling the shore end of your dock. Available as non-adjustable or adjustable wheel kits.

CROSS BRACING

Provides added support and stability.

ECONOMY DOCK WHEEL KIT

Easily bolting onto the side frame of your dock, our Economy Dock Wheel Kit provides additional bracing to allow for transportation over rough terrain.

HAND RAILINGS

Lightweight aluminum railings for additional safety.

ADJUSTABLE STAIRS

6-step adjustable stair for leveling on uneven surfaces. Includes 2-rail handrail on both sides of stair and 9' non-skid tread surface.

See the dealer nearest you for a list of all accessories or visit www.Porta-Dock.com to request our full accessories catalog.
