## Classic

Suitable for almost any body of water!  
4' x 8' Aluminum frame—only 48 lbs  
Removable decking—4' x 4' in vinyl only 44 lbs  
Cedar or Vinyl Decking  
4' x 8' & 6' x 8' sections

*Easy Way Classic provides a solid, sturdy dock with manageable components for convenient installation. Strong aluminum frame has legs that are braced from both sides for stability & each extension has c-channels to hold the sections for easier bolting. Easy Way Classic is available in traditional cedar or virtually maintenance-free vinyl.*

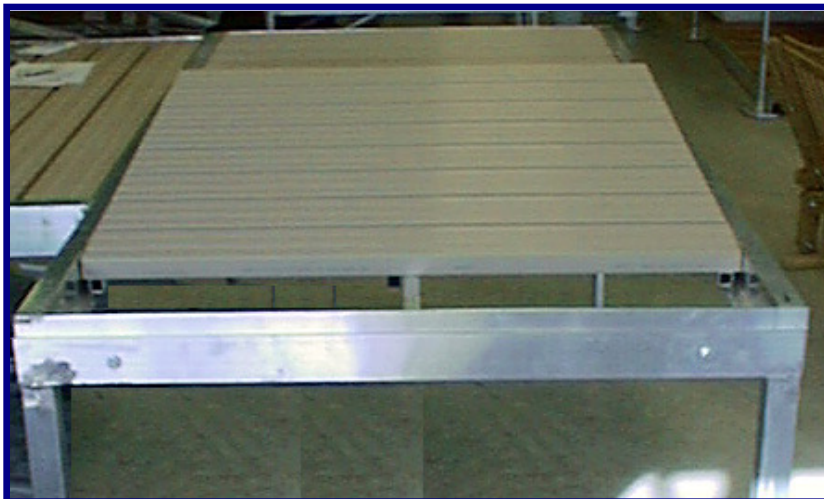

*Each section comes standard with up to 5' pipes (with up to 6' of height) & mud pads. Longer pipe & stabilizing x-bracing are available to customize your configuration.*

## Light

Perfect for small to midsized inland lakes  
4' x 8' Aluminum frame—only 35 lbs  
Removable decking—4' x 4' in vinyl only 44 lbs  
Cedar or Vinyl Decking  
4' x 8' & 6' x 8' sections

*Easy Way Light is not only durable & tough, but also LIGHTWEIGHT! Aluminum frame weighs only 35 pounds helping to make your installation a snap! Plus c-channels hold each section for easier bolting. Easy Way Light is available in traditional cedar or virtually maintenance-free vinyl for a clean look & long lifetime. Each section comes standard with up to 5' pipes (with up to 6' of height) & mud pads. Longer pipe & stabilizing x-bracing are available to customize your configuration.*

REMOVABLE DECKING  
(Classic, Light & Heavy Duty)

C-CHANNELS HOLD EACH  
SECTION FOR EASY BOLTING

## Heavy Duty

Specialized for rough or deep water applications  
Sturdy aluminum frame—weighs 60 lbs  
Removable decking  
Cedar or Vinyl Decking  
4' x 8' & 6' x 8' sections

*Easy Way Heavy Duty is perfect for many rough water applications. To ensure stability & strength Easy Way Heavy Duty is constructed with external pockets, larger gussets, & larger galvanized pipe. Also, strong frame has legs that are braced from both sides & each extension has c-channels to hold the sections for easier bolting. It is available in traditional cedar or virtually maintenance-free vinyl.*

*Each section comes standard with up to 10 1/2' pipes.*

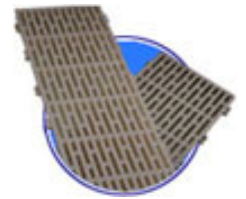

*Longer pipe & stabilizing x-bracing are available to customize your configuration.*

## Heavy Duty - ThruFlow™

Sturdy aluminum frame with attached decking—  
weighs 160 lbs  
12' complete sections install faster for long runs  
Pipes can be driven into bottom or set with pads  
4' x 12' or 6' x 8' sections

*Easy Way Heavy Duty – TF has the same strength & durability of our Heavy Duty style of docks but in 12' lengths with attached decking. Maintenance free ThruFlow™ decking is made from virgin plastic reinforced with fiberglass. Each section comes standard with up to 10 1/2' pipes or 5' pipes with mudpads. Longer pipe & stabilizing x-bracing are available to customize your configuration.*

LEGS BRACED FROM BOTH  
SIDES FOR STABILITY  
(Classic, Heavy Duty, & Heavy Duty – TF)

**All Stainless Steel  
& Brass Hardware!**

HEAVY DUTY AVAILABLE FOR  
ROUGH WATER APPLICATIONS

## *Customize your new Easy Way dock...*

Triangles, cleats, benches, ladders, bumpers, bracing, and many other accessories are available.

### **Schmidt Boat Lifts & Docks, Inc. Easy Way Sectional Dock Warranty**

Schmidt Boat Lifts & Docks warrants all Easy Way aluminum frame, removable docks purchased new by the original owner to be free from defects in the material and workmanship under normal use for a period of 60 months from the date of purchase (excluding components and options which carry their own manufacturer's warranty, wherein that warranty will apply). There is no other expressed warranty. Schmidt Boat Lifts & Docks is not liable for incidental or consequential damages or injuries of any kind due to installation, removal, use, misuse, misapplication, improper selection of one of our purchased or displayed products, or acts of nature. Schmidt Boat Lifts & Docks agrees to repair or replace only defective parts returned to the factory (prepaid) and deemed defective by Schmidt Boat Lifts & Docks. Warranty is void when misuse or neglect is the cause.

Specifications are subject to change without notice.
